Change in Caverion's Group Management Board: Carsten Sørensen appointed as Head of Division Denmark

Carsten Sørensen (born 1972) will be appointed as the Head of Caverion Division Denmark as of 1 January 2019. Carsten knows Caverion very well, as he used to work in Caverion Division Denmark-Norway as a Vice President, Industrial Solutions during 2015–2017. He re-joins Caverion from the position of Group CEO at Qubiqa A/S. Carsten will report to Ari Lehtoranta, President and CEO of Caverion Group and will also be a member of the Group Management Board.

"With this change we are taking the next steps in the implementation of our strategy in Denmark. The current Head of Division Michael Højgaard has done good work in starting the turnaround of our Danish operations and setting the new direction, and the execution will now be led by Carsten. I would like to thank Michael for his efforts at Caverion. At the same time I welcome Carsten back to Caverion and wish him success in his new role," says Ari Lehtoranta.
