North Holdings 3 Oy supplements the tender offer document relating to the public tender offer for all the shares in Caverion Corporation; shareholders can choose the Alternative Consideration as of 13 February 2023

As previously announced, North Holdings 3 Oy (the “**Offeror**”) and Caverion Corporation (the “**Company**” or “**Caverion**”) have on November 3, 2022 entered into a combination agreement, which was amended on January 24, 2023 (as amended, the “**Combination Agreement**”), pursuant to which the Offeror has made a recommended voluntary public tender offer to acquire all of the issued and outstanding shares in Caverion that are not held by Caverion or any of its subsidiaries (the “**Shares**” or, individually, a “**Share**”) (the “**Tender Offer**”). The Offeror has on November 24, 2022 published a tender offer document, dated November 24, 2022, and on January 13, 2023 published the first supplement document to the tender offer document, concerning the Tender Offer (the tender offer document, as supplemented from time to time, the “**Tender Offer Document**”). The offer period for the Tender Offer commenced on November 24, 2022, at 9:30 a.m. (Finnish time) and will expire on February 28, 2023, at 4:00 p.m. (Finnish time), unless the offer period is extended further or any extended offer period is discontinued as described in the terms and conditions of the Tender Offer.

The Offeror announced on January 24, 2023 improvement to the consideration offered in the Tender Offer, extension of the offer period, lowering the acceptance threshold and renewal of the recommendation by the Board of Directors of Caverion. As announced on January 24, 2023, the Offeror supplements the Tender Offer Document with detailed information on the terms and conditions of the improved Tender Offer, including the Alternative Consideration Instruments. The Finnish Financial Supervisory Authority has today approved the Finnish language version of the related supplement to the Tender Offer Document (the “**Supplement Document**”). The Supplement Document includes the amended terms and conditions of the Tender Offer. The Supplement Document is attached as Appendix 1 to this stock exchange release.

North (BC) Lux Holdco SARL (“**Bain Luxco**”) (a vehicle owned and controlled by funds managed or advised by Bain Capital Private Equity (Europe), LLP, and/or its affiliates (together “**Bain Capital**” and such funds being the “**Bain Capital Funds**”), Security Trading Oy (“**Security Trading**”), Fennogens Investments S.A. (“**Fennogens**”) and Corbis S.A. (“**Corbis**”) form a consortium (the “**Consortium**”) for

the purposes of the Tender Offer.

OFFER PRICE OF THE TENDER OFFER

The shareholders of Caverion are in the Tender Offer given the possibility to choose either: (i) a fixed cash payment of EUR 8.50 per Share payable in nine (9) months from the date of the first completion trades in the Tender Offer implemented through the issuance of a debt instrument with the nominal principal amount of EUR 8.50 (the “**Alternative Consideration Instrument**”) for each Share tendered in the Tender Offer, or (ii) an immediate cash consideration of EUR 8.00 upon completion of the Tender Offer (the “**Cash Offer Price**”) for each Share tendered in the Tender Offer. The Alternative Consideration Instruments will be issued by the Offeror on the date(s) of the completion trades of the Tender Offer with the nominal principal amount of EUR 8.50 and will be redeemed at their full nominal amount upon their maturity on the date falling nine (9) months after the date of first issuance of the Alternative Consideration Instruments. Shareholders choosing the Alternative Consideration will be issued one (1) Alternative Consideration Instrument for each Share tendered in the Tender Offer in connection with the completion trades of the Tender Offer. The acceptance of the Tender Offer with Alternative Consideration may be submitted on the business day following the publication of the Supplement Document, i.e. from February 13, 2023. More detailed instructions are included in the Supplement Document and under section “*The Acceptance Procedure of the Tender Offer*” below.

Shareholders holding Shares on Finnish equity savings accounts are not eligible to elect the Alternative Consideration Instrument in respect of such Shares for regulatory reasons. Instead of the Alternative Consideration Instruments, the shareholders holding Shares on the Finnish equity savings accounts have the possibility to elect a non-transferable deferred payment right of EUR 8.50 per Share to be paid in cash nine (9) months from the date of the first completion trades in the Tender Offer (the “**Deferred Payment Right**”), and together with the Alternative Consideration Instruments the “**Alternative Consideration**”). The Alternative Consideration and the Cash Offer Price are jointly referred to as the “**Offer Price**”.

The Cash Offer Price and the Alternative Consideration have been determined based on 136,472,645 issued and outstanding Shares. Should the Company increase the number of Shares that are issued and outstanding on the date hereof as a result of a new share issue, reclassification, stock split (including a reverse split) or any other similar transaction with dilutive effect, or should the Company distribute a dividend or otherwise distribute funds or any other assets to its shareholders, or if a record date with respect to any of the foregoing occurs prior to any of the settlements of the completion trades of the Tender Offer (whether after the expiry of the Offer Period or any Subsequent Offer Period (as defined below)), resulting in the distribution of funds not being payable to the Offeror, the Cash Offer Price and the Alternative Consideration payable by the Offeror shall be reduced accordingly on a euro-for-euro basis. However, each of the Alternative Consideration Instruments or Deferred Payment Rights are not subject to any adjustments after such an Alternative Consideration Instrument has been delivered or a Deferred Payment Right has been recorded to the shareholder but, instead, the adjustments will occur only if the distribution of funds or other corporate event entitling to the adjustment or if a record date with respect to any of the foregoing occurs prior to the settlement of relevant completion trades of the Tender Offer.

Bain Capital Europe Fund VI, Security Trading, Fennogens and Corbis have given equity commitments to the Offeror to fund the Offeror for the purposes of the Tender Offer and the designated purpose of such equity commitments is to enable payment of the aggregate Cash Offer Price and redemption of the Alternative Consideration Instruments and payment of the Deferred Payment to holders of equity savings accounts by the Offeror.

RECOMMENDATION BY THE BOARD OF DIRECTORS OF CAVERION

The Board of Directors of Caverion, represented by a quorum comprising the non-conflicted members of the Board of Directors, has unanimously decided to recommend in its statement issued on February 9, 2023 pursuant to the Finnish Securities Markets Act (746/2012, as amended) and the Helsinki Takeover Code issued by the Finnish Securities Market Association (the “**Helsinki Takeover Code**”) that the shareholders of Caverion accept the Tender Offer. The Board of Directors of Caverion has received an updated opinion, dated January 24, 2023, of Caverion’s exclusive financial adviser, Bank of America Europe DAC, Stockholm branch (“**BofA Securities**”), to the effect that, as of the date of such opinion, the increased Offer Price to be paid to holders of Shares (other than Security Trading, Fennogens and Corbis and their respective affiliates) pursuant to the Improved Tender Offer, was fair from a financial point of view, to such holders, which opinion was based upon and subject to the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken as more fully described in such opinion. The opinion of BofA Securities was provided for the use and benefit of the Board of Directors of Caverion and does not constitute a recommendation as to how any holders of Shares should act in connection with the Tender Offer or any related matter.

THE ACCEPTANCE PROCEDURE OF THE TENDER OFFER

Acceptance of the Tender Offer with Alternative Consideration may only be submitted on the business day following the publication of the Supplement Document, i.e. from February 13, 2023.

Before February 13, 2023, acceptance of the Tender Offer can only be made with the Cash Offer Price. Each shareholder of Caverion whose acceptance of the Tender Offer has been submitted before February 13, 2023, shall be deemed to have accepted the Tender Offer with the Cash Offer Price.

If a shareholder of Caverion has submitted the acceptance of the Tender Offer before February 13, 2023 in respect of the Shares held by him/her and wishes to elect the Alternative Consideration instead of the Cash Offer Price, such shareholder must submit a valid withdrawal of his/her earlier acceptance of the Tender Offer in accordance with instructions from the account operator and submit a duly executed acceptance form for the Alternative Consideration. Neither the Offeror nor Nordea (in its capacity as arranger and an account operator) will charge the shareholders for withdrawing their acceptance of the Tender Offer in order to accept the Alternative Consideration in such a situation.

A shareholder may only choose to receive either the Alternative Consideration or the Cash Offer Price for all Shares held on the same book-entry account, and, consequently, shareholders may only tender for mixed consideration if the relevant Shares are held on separate book-entry accounts.

The shareholders holding Shares on equity savings accounts who have selected the Alternative Consideration will receive, instead of the Alternative Consideration Instruments, non-transferable rights to payment from the Offeror, and to demonstrate these, the book-entries named as other rights will be recorded to a shareholder's equity savings account.

Most Finnish account operators will send a new notice regarding the Tender Offer and related instructions to those who are registered as shareholders in the shareholders' register of Caverion maintained by Euroclear Finland. Shareholders of Caverion who do not receive such instructions from their account operator or asset manager should first contact their account operator or asset manager and can subsequently contact Nordea Bank Abp ("**Nordea**") by sending an email to caverion-offer@nordea.com, where such shareholders of Caverion can receive information on submitting their acceptance of the Tender Offer. Please note, however, that Nordea will not be engaging in communications relating to the Tender Offer with shareholders located within the United States. Shareholders who are located within the United States may contact their brokers for necessary information.

Those shareholders of Caverion whose Shares are nominee-registered, and who wish to accept the Tender Offer, must effect such acceptance in accordance with the instructions given by the custodian of the nominee-registered shareholders. The Offeror will not send an acceptance form or any other documents related to the Tender Offer to these shareholders of Caverion.

For more information on the acceptance procedure of the Tender Offer, see section "*Terms and Conditions of the Tender Offer – Acceptance Procedure of the Tender offer*" in the Supplement Document. All shareholders of Caverion are advised to carefully review the Tender Offer Document and the Supplement Document before deciding on the acceptance of the Tender Offer.

The Finnish language versions of the Tender Offer Document and the Supplement Document are available on the internet at www.caverion-offer.fi and www.nordea.fi/caverion-ostotarjous as of February 10, 2023. The English language translations of the Tender Offer Document and the Supplement Document are available on the internet at www.caverion-offer.com and www.nordea.fi/caverion-offer as of February 10, 2023.

The Tender Offer is made for the issued and outstanding shares of Caverion, which is domiciled in Finland, and is subject to Finnish disclosure and procedural requirements. The Tender Offer is made in the United States pursuant to Section 14(e) and Regulation 14E under the Exchange Act, subject to the exemption provided under Rule 14d-1(c) under the Exchange Act for a Tier I tender offer (the “**Tier I Exemption**”) and Rule 802 (the “**802 Exemption**”) under the U.S. Securities Act of 1933 (the “**U.S. Securities Act**”), and otherwise in accordance with the disclosure and procedural requirements of Finnish law, including with respect to the Tender Offer timetable, settlement procedures, withdrawal, waiver of conditions and timing of payments, which are different from those of the United States. In particular, the financial information included in this stock exchange release has been prepared in accordance with applicable accounting standards in Finland, which may not be comparable to the financial statements or financial information of U.S. companies. The Tender Offer is made to Caverion’s shareholders resident in the United States on the same terms and conditions as those made to all other shareholders of Caverion to whom an offer is made. Any informational documents, including this stock exchange release, are being disseminated to U.S. shareholders on a basis comparable to the method that such documents are provided to Caverion’s other shareholders.

As permitted under the Tier I Exemption, the settlement of the Tender Offer is based on the applicable Finnish law provisions, which differ from the settlement procedures customary in the United States, particularly as regards to the time when payment of the consideration is rendered. The Tender Offer, which is subject to Finnish law, is being made to the U.S. shareholders in accordance with the applicable U.S. securities laws, and applicable exemptions thereunder, in particular the Tier I Exemption and the 802 Exemption. To the extent the Tender Offer is subject to U.S. securities laws, those laws only apply to U.S. shareholders and will not give rise to claims on the part of any other person. U.S. shareholders should consider that (whether paid initially in cash or upon redemption of any Alternative Consideration Instruments) the offer price for the Tender Offer is being paid in EUR and that no adjustment will be made based on any changes in the exchange rate.

To the extent permissible under applicable law or regulations, the Offeror and its affiliates or its brokers and its brokers’ affiliates (acting as agents for the Offeror or its affiliates, as applicable) may from time to time after the date of this stock exchange release and during the pendency of the Tender Offer, and other than pursuant to the Tender Offer, directly or indirectly purchase or arrange to purchase Shares or any securities that are convertible into, exchangeable for or exercisable for Shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. To the extent information about such purchases or arrangements to purchase is made public in Finland, such information will be disclosed by means of a press release or other means reasonably calculated to inform U.S. shareholders of Caverion of such information. In addition, the financial advisers to the Offeror may also engage in ordinary course trading activities in securities of Caverion, which may include purchases or arrangements to purchase such securities. To the extent required in Finland, any information about such purchases will be made public in Finland in the manner required by Finnish law.

Neither the SEC nor any U.S. state securities commission has approved or disapproved the Tender Offer (including the offer of the Alternative Consideration Instruments), passed upon the merits or fairness of the Tender Offer (including the offer of the Alternative Consideration Instruments), or passed any comment upon the adequacy, accuracy or completeness of the disclosure in relation to the Tender Offer (including in relation to the Alternative Consideration Instruments). Any representation to the contrary is a criminal offence in the United States.

THE ALTERNATIVE CONSIDERATION INSTRUMENTS HAVE NOT BEEN, AND WILL NOT BE, REGISTERED UNDER THE SECURITIES ACT OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER JURISDICTION, AND THE ALTERNATIVE CONSIDERATION INSTRUMENTS CONSTITUTE “RESTRICTED SECURITIES” PURSUANT TO THE SECURITIES ACT, AND MAY NOT BE OFFERED OR SOLD WITH UNITED STATES OR TO, OR FOR, THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT), EXCEPT PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND APPLICABLE STATE OR LOCAL SECURITIES LAWS.

The receipt of cash pursuant to the Tender Offer by a U.S. shareholder may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each holder of Shares is urged to consult its independent professional advisers immediately regarding the tax and other consequences of accepting the Tender Offer.

It may be difficult for Caverion's shareholders and the holders of the Alternative Consideration Instruments to enforce their rights and any claims they may have arising under the U.S. federal securities laws, since the Offeror and Caverion are located in a non-U.S. jurisdiction and some or all of their respective officers and directors may be residents of non-U.S. jurisdictions. Caverion shareholders and the holders of the Alternative Consideration Instruments may not be able to sue the Offeror or Caverion or their respective officers or directors in a non-U.S. court for violations of the U.S. federal securities laws. It may be difficult to compel the Offeror and Caverion and their respective affiliates to subject themselves to a U.S. court's judgment.

NEITHER THE U.S. SECURITIES AND EXCHANGE COMMISSION NOR ANY U.S. STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED THE TENDER OFFER, PASSED ANY COMMENTS UPON THE MERITS OR FAIRNESS OF THE TENDER OFFER, PASSED ANY COMMENT UPON THE ADEQUACY OR COMPLETENESS OF THE TENDER OFFER DOCUMENT OR THE SUPPLEMENT DOCUMENT OR PASSED ANY COMMENT ON WHETHER THE CONTENT IN THE TENDER OFFER DOCUMENT OR THE SUPPLEMENT DOCUMENT IS CORRECT OR COMPLETE.
